## **Nutech Brief history**

Nutech Construction Chemicals Company Ltd (NCCCL) started its journey on 2006 towards the aspiration of working jointly with M/S Fosroc chemicals (I) Pvt Ltd as its authorize applicator and distributor. Initially, NCCCL starts working solely as the authorize applicator and distributor of M/S Fosroc Chemicals (I) Pvt Ltd but in 2008 it equipped itself with a full fledge construction wing manned by a crew of technical personnel.

**Nutech Visions** to offer pioneer engineering services in the field of RCC repair/ restoration and rehabilitation of old structures like building ,bridges etc. Cathodic protection services for civil structures at coastal belts can also be offered successfully by Nutech.

NCCCL is catering construction products to the construction industry of Bangladesh from its inception with a good reputation. It offers concrete admixture , Industrial Flooring products, concrete repair products, Grouts, Sealants, Protective coatings, Surface treatment products, waterproofing and concrete adhesives. Recently, NCCCL is added to serve Vacuum dewatered floor (VDF) and Foam Concrete and Polished concrete in its profile.

Bashundhara City Mall Rebuilding Project in the year of 2010 added a milestone to the portfolio of Nutech in the field of Fire damaged concrete restoration. FRP Design and installation services also offered by Nutech.
